Our Story

I was diagnosed with Gall Bladder cancer in February 2015. After being diagnosed, we made numerous trips into MD Anderson for treatments and doctor visits. With the price of parking, a great burden was lifted off of our shoulders with the donation of Emma's Hugs parking tokens. That single random act of kindness convinced us to give back. This is just one way, with your help, we can all get involved and help others. We want to thank all of you for helping us make this possible.

Thanks, Hank, Ginger, and Jake Stoerner
